JOINT CALL FOR POSTER DISPLAYS

2012 TRB ANNUAL MEETING

January 22-26, 2012 Washington, D.C.

The TRB Congestion Pricing Committee (ABE25) and TRB High-Occupancy Vehicle, High-Occupancy Toll, and Managed Lanes Committee (AHB35) invites all interested parties to submit applications for a poster session display at the TRB Annual Meeting in Washington, DC, from January 22-26, 2012. This session will provide a unique opportunity to interact with an international audience in sharing experiences of your projects and research that feature transportation pricing and managed lanes.

Session Purpose

The Joint Poster Session will highlight new research and lessons learned in planning, implementing and operating pricing and managed lane projects. Our objective is to share and discuss research findings and

case studies that identify best practices, promote use of new technologies, and build awareness of the challenges that underlie successful transportation pricing and managed lane projects, including planning, communication, public involvement, financing, project selection, development, construction, operations and maintenance.

About the Poster Session

Stations will be designated with a table and a 4' x 8' vertical poster board. Electrical connections will be available at each station. Telephone connections will not be available.

Display Topics

Sales presentations on specific products or services will not be accepted.

APPLICATION DEADLINE: AUGUST 22, 2011

Potential participants must submit applications by August 22, 2011 for consideration. The sponsoring TRB Committees will notify applicants by October 3, 2011, whether or not their proposal has been accepted for the poster session.

Application

The attached application form shall be submitted no later than August 22, 2011. The application should describe the subject of the display and the technical, business operations or other areas of public involvement that will be featured.
