

Congestion Pricing and Managed Lanes: 20 Years of Learning—Where Have We Been, Where Are We Now, and Where Are We Going?

TRB Workshop 164
Sunday 1:30PM- 4:30PM
Marriott, Thurgood Marshall North

Sponsored by Managed Lanes Committee (AHB35) and Congestion Pricing Committee (ABE25)

Description: This workshop focuses on the 20 years of learning from congestion pricing and managed lanes, including discussions on the existing state of congestion pricing and managed lanes as well as a look forward to the upcoming challenges, technological innovations, and opportunities in the continuing evolution of managed lanes and roadway pricing. Experts will share lessons learned and operational experiences.

Patty Rubstello, Washington State Department of Transportation, presiding officer
