

Case Studies in unethical marketing practices in the psychiatric pharmaceutical industry

When: Tuesday April 21th at 12:15pm

Where: Moos Tower 2-690

Please join us over lunch for a discussion of the practical and ethical implications of **industry influence in Medicine.**

Dr. Glen Spielmans, PhD, Professor of Psychology at Metropolitan State University will present information about dishonest marketing and research practices of pharmaceutical companies in the field of psychiatry and the ideals of evidence-based medicine.

Presented by the American Medical Student Association (**AMSA**) and the Student Committee on Bioethics (**SCOB**)

SCOB would like to thank the Center for Health Interprofessional Programs (CHIP), the Center for Bioethics, GAPSA, and Coca-Cola for their support of this year's lecture series.
